Admiral Stansfield Turner, Director
Central Intelligence Agency
Washington, D.C. 20505

Dear Admiral Turner:

Donald F. Adams, president and administrator of Foothill Presbyterian Hospital, was recently informed that he has been named 1979 Glendora Citizen of the Year by the local Chamber of Commerce. It is a significant honor, and one which he truly deserves.

Several organizations are planning to honor him also at the Citizen of the Year banquet which will be held on March 20 at the Glendora Country Club.

These awards will all mean a great deal to him. It occurred to me, however, that if he could receive a proclamation or letter of congratulations from you, a personal friend and fellow alumni of the U.S. Naval Academy (1947), it would be extremely meaningful to him.

Thank you for considering this matter. If it meets with your favor, will you please be kind enough to send your message to me, % of this hospital, as we would like to surprise him with it the night of the award ceremony.

Very respectfully yours,

Jane E. Tessitor
